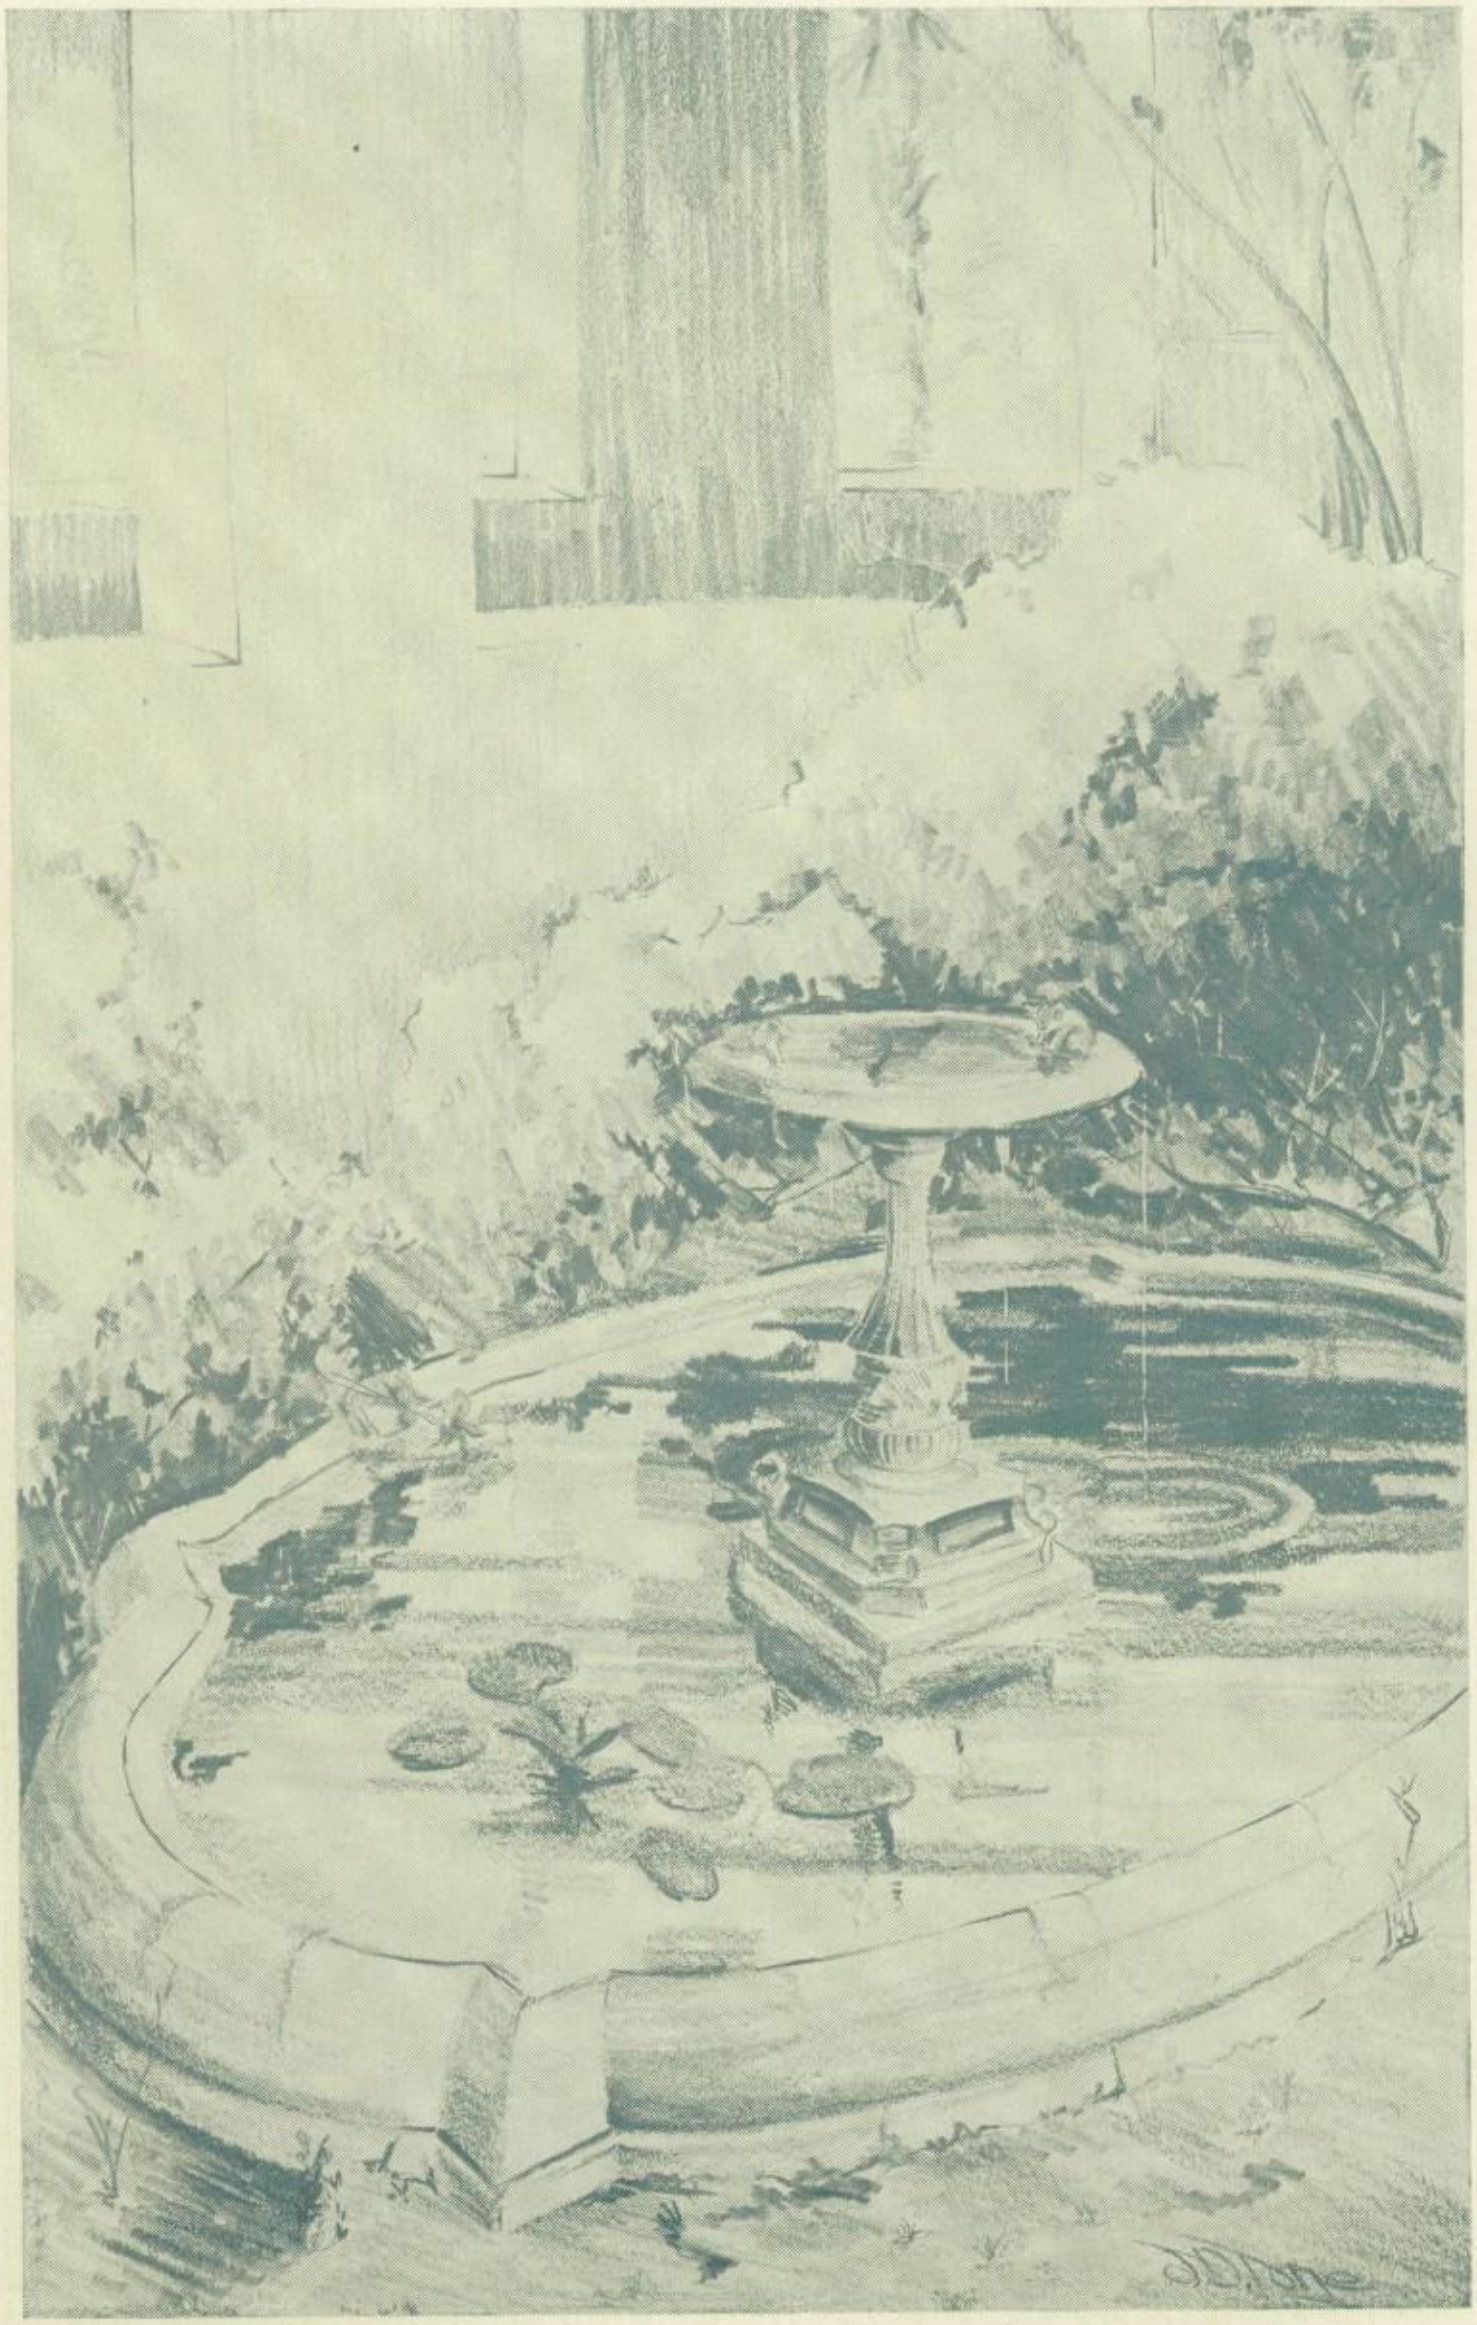
GLENDALE - HIGH - SCHOOL

Dedication

TO Jennie Young Freeman, scholar and gentlewoman, whose untiring efforts in behalf of the literary achievements of Glendale High have been the inspiration of the Stylus Staff of nineteen hundred and thirty-four.



SCHOOL

GRADUATES OF 1934

THE challenge brought by the present rapid changes in our economic and social life comes to you as you end your years in high school. These changes will afford you abundant reason for self-study, for the establishment of right personal attitudes toward your associates and toward social, business, and national life, and for a worthy means for the expression of your own initiative.

We hope that in your high school work you have laid the foundation for straight thinking; that you will pursue a course of thinking to the best logical conclusion for yourself, facing facts as they are without warping or twisting them to your own advantage; that you will respect the rights and the abilities of others, rating as highest the superiority of merit, service, and achievement; that you will recognize and appreciate beauty wherever you may see it, whether in art, thought, or qualities of character; that you will be alert and sensitive to all that is going on around you and that you will determine upon a worthy guiding purpose for your future, taking counsel in this from what you have learned of the past; and that you will search for that life task wherein you best can use your own natural abilities and derive from your work a profit to yourself and a keen enjoyment in living.

GEORGE MOYSE, *Principal*

YOUR BANQUET theme, this year, is hunting. Hunting what? Opportunities, experiences, success? A very appropriate text. An inquisitive mind always hunts. You have hunted for four years for those same opportunities, experiences, successes in the class room. Your class room set-up has been designed to motivate thinking and action on your part, but at its best, the class room can only be an artificial substitute for the realities of life.

However, your training, your experience during your four years here is of the same type which you will find when you go out into business. The attitudes which you have developed, the knowledge which you have gained and the skills which you have attained carry over, and are the qualities which determine success or failure.

E. WOLFE

CONGRATULATIONS to you, Classes of 1934, for all that you have accomplished during your four years of high school! You probably would do many things differently if you were to do them over again. To feel that way is just to be human. The best thing to do with these disappointments, I suppose, is to forget them, unless they can help you to avoid further disappointments in the future. So congratulations to you for what you have accomplished and forgetfulness for the things in which you have not realized your ambitions. Best wishes for a successful future in which all the successes of yesterday are augmented and the stumbling blocks turned into stepping stones.

Your friend,

ETHEL HUME FLOOD MOYSE

VARIETY SHOW

Glendale High School presented its twentieth annual variety show March 22 and 23, 1934. Mr. George Sperry was the chairman of the management.

The stage setting was a tramp ship, sailing around the world carrying cargo from port to port. At each harbor the sailors are entertained on board the ship by natives of the countries where they dock. Each act is in a port. The ship started from San Francisco harbor. The first stop was in Africa. Here, three savages danced for the crew. A peasant entertained the group at their stop in Russia. At the Grecian harbor, a balloon dance was given aboard the ship. A June Night in Naples was the name of the act which was given by the music department. The French Club act was a scene in front of a cafe. The fast moving Spanish act proved to be one of the best received. It was a welcome to the travelers in the Spanish manner. The Art act was directed by Jean and Rudolfe Abel. It caused great comment. It was the Javanese arrow ceremony. The next act took place in New York. The follies were reproduced. The Alumni act was dancing by Broadway dancers. The Girls' Gym put on the concluding act. A Show Boat Troupe came on deck at New Orleans, which was the end of the journey.

Curtain acts were by the Boys' Trio, the sailors, Jane Flint, Bill Grimstead, the Girls' Trio, Jack Wood, and Clifford Orr.

THE THIRTEENTH CHAIR

The Senior Play, The Thirteenth Chair, by Bayard Veillet, was presented May 24, 25, 1924. The mystery was well received. Miss Marion Underwood directed the play. She was assisted by Catherine Sherman, student director, and Bernadine Gingery.

GIRLS STUNT PARTY

The annual Girls Stunt Party was held on October 27, 1933. Hundreds of girls attended, dressed in costumes of every conception. Mothers of the girls on the Girls League Executive Board assisted the Board in welcoming the girls and their mothers.

The various stunts were presented in the auditorium. The senior stunt, an old-fashioned Western melodrama, which was written and directed by Catherine Sherman, was the prize winner. The junior stunt, headed by Betty Jane Uhl, was a children's piano recital. Mayla Sandbeck organized the sophomore stunt, which was a baby show. The women of the faculty presented a very amusing pantomime. It was a scene in front of a theatre showing the people buying tickets.

Curtain acts were given by Glorya Curran, Gladys Gardiner, Marjorie Buddington, Dale Baymiller, and Letha Rodolph.

Everyone then adjourned to the Girls Gym for the remainder of the evening's entertainment. There was a grand march. The prize for the best costume was awarded Mickey Ruby, who represented the N.R.A. Catherine Sherman and Ruth Klaus won the prize waltz. Music for dancing was provided by Carl Seeballe and his orchestra.

Jane Briggs, president of the Girls League, had charge of the affair. Working with her were Margaret Chase, decorations; Elaine Fareed, orchestra; Virginia Henderson, refreshments; Betty Angier, tickets; Ethel Gregory and Ruth Klaus, prizes.

BOYS' STAG PARTY

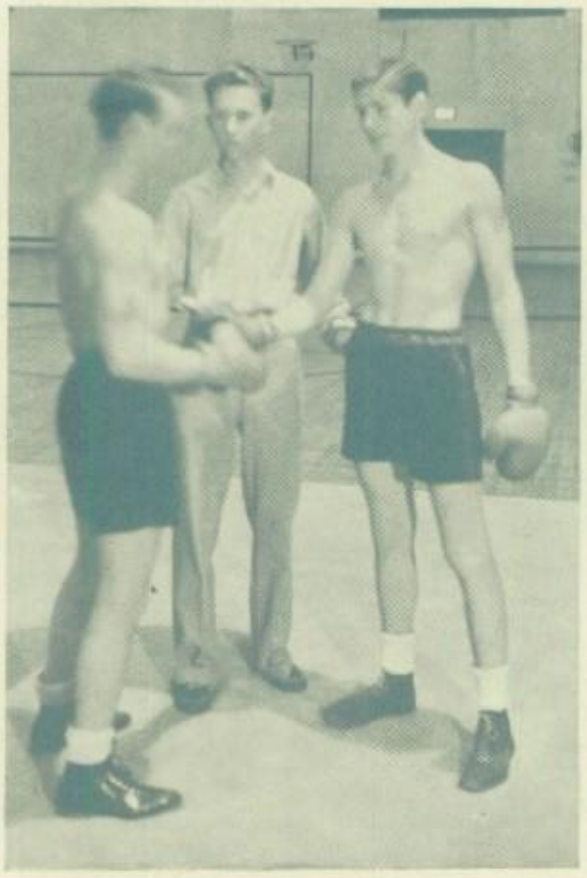
On November 3, 1933, the Boys' League held its annual Stag Party in the Boys' Gym. Close to 500 boys and fathers attended, according to Jim McDonald, Boys' League President.

To Jim Stebbins, who was chairman of the entertainment and publicity committees, goes a great deal of the credit for the success of the affair. He obtained a fine program.

A basketball game between the alumni and the expected varsity teams ended with the varsity on the low end of a 60-22 score. Several boxing matches, refereed by George Haney, followed. Huberto Madrid's bout with Ray Anderson was declared a draw. Likewise, the John Madden vs. Stan Andrews, Chan Zabala vs. Domingo Lopez, and Sam Taylor vs. "Wild Man" Bartola bouts. The only decision of the evening was given Dick Whittingham who boxed Walt Madden. Three wrestling tussels were the next features. They were between Rich and Ralston, Locke and Joe Schietz, and Duval Puthoff and Ezra Smith. All ended as draws.

The outstanding performance of the evening then followed. The L. A. Poly High tumblers under the direction of Jack Berry, Olympic champion of 1928, proceeded to entertain the crowd with their stunts on the high bar. All four members of the team are champions. This event proved to be the best received.

The group adjourned to the lunch stand for refreshments. The refreshment committee was headed by Larry James. Ward Albert had charge of the floor committee.



SENIOR PROM

The Christmas motif was used for the annual Senior Prom, which was given December 15, 1933, in the Girls' Gym. In the center of the floor was a huge white Christmas tree. Reindeer, sleighs, and Santa Clauses were decorations for the walls. Two large wreaths were hanging amidst the snow in the large windows at each end of the gym. Everett Hoagland's orchestra, which plays at Balboa, provided music for the affair.

The dance was given under the leadership of Ward Albert, senior class president. A very capable committee worked with him. Catherine Sherman devised the clever decorations and carried out those plans made. Don Dewar headed the committee that selected the orchestra. The refreshments were prepared by Barbara Tauxe. The chairman of the program committee was Josephine Swiggett. Jim Stebbins had charge of the ticket sale. Norma Yeckley took charge of the cloakroom. All worked hard to promote the success of the Prom. The ticket sales showed that approximately 250 couples attended.

Phyllis Thaxter and Leslie Broom won the prize waltz. The selection was made by popular applause.

JUNIOR PROM

"A Night in Holland" was the theme for one of the best Junior Proms Glendale High School has ever had. It was held April 14, 1934. With the theme song, "Little Dutch Mill," Lou Traveller's ten-piece orchestra furnished music for the occasion.

Too much credit cannot be given to Ted Robinson, Class of '35 president, and his committee chairmen. Bud Grainger had charge of the decorations. Refreshments were under the care of Bill Wilber. Larry James was the head of the ticket and floor committees. Harry Hankey and Charles Newton handled the publicity. The entertainment committee was headed by Ed Hearn. Clever programs with a Dutch scene on them were designed by Hampton Hagood, chairman of that committee.

The Girls' Gym was decorated in blue and white. The blue and white streamers were draped from the top of the gym to the sides. A little blue windmill was at one end of the floor, the orchestra at the other. Dutch scenes and little Dutch boys and girls adorned the walls. It was all very cleverly worked out.

Instead of the traditional prize waltz, a prize fox trot was held. Elva May and Jimmy Donohue won the two loving cups.

STYLUS DANCE

The Stylus staff and the Cabinet worked together to give the first Stylus Dance in the history of Glendale High. The theme was the same as that of this year's Stylus, "a bug's eye view of a garden." The dance was given in the Girls' Gym on March 9, 1934. Over 200 couples enjoyed the dance. As a new feature, a floor show was presented. Jack Monahan, who had charge of the show, secured some popular entertainment. Gladys Gardiner, a former student, sang several popular songs. Alva Hadsell and Orville Bly danced an exhibition waltz. The Girls' Trio sang a number that was very well received. Brahm and Katherine van der Berg did some adagio dancing. A couple from Rainbow Gardens gave an exhibition of the tango.

Jim Bugental, Stylus Editor and originator of the idea of the dance, was general arrangements chairman. He was assisted by Clarence Johnson and Bill McWhirter. Other chairmen of committees were Betty Hails, decorations; Jeanne Butler, refreshments; Chandler Lindsey, floor; Jane Frampton, programs; Bob Kase, tickets; Johnny Rayborn, publicity; Margaret Chase and Sue Hunt, guests and patronage.

MONTHLY DANCES

Monthly dances, which were held after school, were promoted to further interest in school affairs and for the pleasure of the Student Body. Under Bud Kelly's leadership the first semester of the school year, an orchestra played for the dances. On February 23, 1934 it was decided to use the public address system and phonograph recordings. This proved to be just as popular, and the profits were greater. Clarence Johnson was general chairman for the second semester. The heads of the committees were as follows: Sam Keller for preparation of the floor; Bob Kase, tickets and finance; The courtesy committees were headed by Sue Hunt, Barbara Johnson, and Margaret Chase, W. A. Jolly, Bob Murphy, and Joe Spohrer; Recognition Committees, Bill Montgomery and Margaret Chase; Program and Entertainment, Betty Hails; Regulated Dress, Pauline Jencks; Publicity, Bill McWhirter; Dance Floor Committee, Kay Taylor and Bill Wilber; Guest Committee, Jim Bugental and Virginia Henderson.

Other members of committees and chairmen were Betty Montgomery, Johnnie Rayborn, Walter Penberthy, and Scott MacDonald. Bill Grimstead's orchestra was featured at the dances at the first of the year. The change from the orchestra to the recording system was meant in no way to be a slight on the quality of the orchestra.

One of the most important series of events is in the field of forensics. Debating, oratory, Shakespeareian work, and extemporaneous speaking are included in this field. The most important event in debating was the contest with Hoover. This debate settled the winner of the Trophy contest. Those representing Glendale in this debate were Ed Radke, Frank Eshom, Bob Putnam, Dick Harris, Allen Lannom, and Jim Bugental.

The annual oratorical contest was held October 27, 1933. The speakers who represented their classes were Madeline Corey, who spoke for the Juniors; Glorya Curran, the Seniors, and Bob Putnam, the Sophomores. Madeline Coreys' topic was "Youth and the Present Crisis." The Juniors won the contest. The Seniors won the honors for the tableau. It depicted America, a leader in the peace movement, beckoning to other foreign nations to follow.

Glendale at the Tri-Hi Extempore Contest, held May 1. Allen Lannom took third place with his speech on "Should the N.R.A. Be Made Permanent."

Jean Westrum and Ed Radke were the winners of the Shakespeareian contest in the school. They both went to the county contest, but neither placed.

Clarence Johnson, student body president, entered two contests and brought honor to himself and the school. He went to Redlands and placed first there. The Toastmasters Club sponsored a speaking contest. Sterling Livingston from Hoover and Clarence Johnson entered from Glendale. Clarence came home with first prize. The school received a cup for this accomplishment.

The inter-class debaters met in two contests. The Sophomores defeated the Juniors in their debate. Therefore, the Sophomores met the Seniors for the concluding debate. Those on the Sophomore team are Virginia Wright, James Ap Roberts, and Bob Putnam. The Junior debaters are Roger Sawyer and Cooper Lindley. The students who represented the Seniors were Steve Taggart, Jim Waidelich, and Jim Bugental. The inter-class debates proved of great interest to the students.

REYNOLDS JOHNSON DONAHUE ARNOLD TOPE

Backed by wonderful Student Body support, the Glendale High School Dynamiters stepped forward to produce many championship athletic teams during the season of 1933-34. Although the Varsity Football squad won only a fifth place, the Class B gridders tied for the Coast League Championship. Glendale's Varsity Basketball squad won the Coast League Crown, and the Class B hoopsters placed third. In track, Glendale produced a Coast League Championship Varsity Squad which placed fifth in Southern California. The Class B aggregation won a second and third place in the Coast League. The Baseball team wound up in second place in league standings. Glendale's Cross-country squad won a Southern California Championship and placed second in the Coast League. The Tennis team won the Coast League Championship, and the Golfers placed second.

STONER STOPS THE OPPOSITION AT THE LINE OF SCRIMMAGE

VARSITY FOOTBALL

Coach Gaines started off his 1933 football season with four lettermen, and about seventy-five other fellows, the great majority of whom were "green." From the very start of the season, the entire squad lacked those essential factors of a successful gridiron machine—weight and experience.

TAYLOR GETS UNDER WAY BEHIND ROSENBERG, LOYOLA, STUTSMAN, AND STONER

Before the league season opened, Glendale was very fortunate in obtaining as co-coach, Francis Tappaan, once All-American at U. S.C., who was instrumental in teaching the Varsity football aggregation the fundamentals of the game that enabled them to make as good a showing as they did.

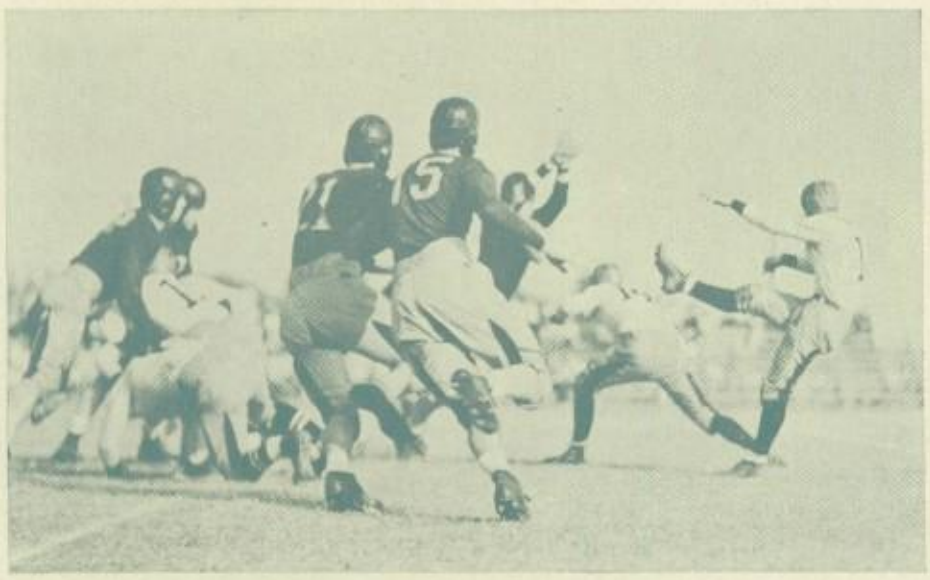
Long Beach was the initial league opponent for the Blasters, and Glendale entered the tilt outweighed twenty-five pounds to the man. In the first half of the game, the Dynamen were able to carry the ball to within eight yards of the goal line, gaining the advantage for that half. But their lack of weight showed up when the Jackrabbits retaliated to win, 14-0.

Pasadena won a similar, but much closer, victory over the Blasters, but the ineligibility of Bob Nash, stellar Bulldog end, gave a victory to the Dynamiters. It might be of interest to note that Nash was very highly responsible for Pasadena's points.

Alhambra decidedly outplayed Glendale the following week to the tune of 13-0. Glendale threatened only once when they advanced to the four-yard marker, while the Moors tallied twice in the final canto.

Glendale's annual fracas with Hoover was played at night in the Rose Bowl. A great, last half rally failed to win the contest, and the Tornadoes won, 15-6.

Santa Ana surprised the Nitros and won their game, 14-0. Previous dope pointed to a very close contest, but Glendale was "off-form," and the result was another defeat.



ONE OF STUTSMAN'S QUICK KICKS CONNECTS WITH A MOOR'S CHIN

San Diego, semi-finalists in C.I.F. playoffs, won the last game of the season by a 24-7 score. Glendale put up a stubborn defense against the powerful Hilltoppers, but were unable to stop their tallies.

Bob Stoner, four year letterman, was elected Captain for the season, and Joe Spohrer was elected Captain for the 1934 season. Four lettermen will return for next year's squad.

CLASS B FOOTBALL

Emerging in a tie for first place from a season outstanding for its tie games, Coach Sperry's Bee Football team for 1933, or "Sperry's Scoreless Wonders" as the group came to be called, was the most successful lightweight aggregation to represent Glendale Hi in some years; despite the numerous draw contests.

The first formal encounter, with South Pasadena, was the first to be played under the new lights. It was in this encounter that the firecrackers first displayed the power that eventually wound them up in first place. Featuring the end runs of Kenny Hyde and the off-tackle plunges of Art Stadler, the locals completely befuddled and conquered the Tigers to the tune of 15 to 0, much to the joy of some 1500 Glendale rooters in the stands.

Practice games were very numerous during this year's season. Coach Sperry believed in giving his boys plenty of experience before the league season opened. The squad opened early with scrcimmages with Muir Tech and Franklin. Before the season had progressed very far, the first string had been chosen; and games began to fall their way. Huntington Park, however, set the Firecrackers back in an unofficial game in which they scored twice.

Glendale engaged Belmont Hi in a practice encounter in which neither team was able to tally. However, first stringers were little used. Just before opening league play, the local outfit played Whittier in another draw contest.

Before entering the league contests, Coach Sperry had picked about sixteen fellows who worked best in combination. These players are to be commended highly for their excellent showing.

CLASS B FOOTBALL

The first league game was the next on the calendar. It was played with the Long Beach Jackrabbits on the local gridiron, and resulted in a sweeping victory for the locals, 13 to 0. Hyde scored both counters for Glendale, the second of which came after a sensational 81-yard run through the entire Bunny team.

Pasadena and Alhambra tied the Blasters in sloppy, unexciting games. The Firecrackers came within the scoring zone innumerable times, but could not push the ball over.

However, the lighties came out of the fog after these poor showings and trimmed the Santa Ana boys, 12 to 0, the following week. Both scores came as the result of lengthy runs, the first being scored by Ted Andrews after a trot of 65 yards, and the second by Captain Larry James for 40 yards.

Hoover was the next foe, and this contest was another draw, no counting plays being made by either side. Numerous fumbles marked the contest, with the Nitros in another of their slumps.

The play-off for the league championship was the final brawl in which Glendale engaged. This contest, played with Pasadena, was another "goose-egg" fracas, and the right to represent the league in the Southern California playoff was given to the Pasadenians on the basis of more first downs.

Pasadena won the Southern California Championship by trimming Santa Monica, 20 to 0. Not only did the local eleven hold the Bullpups to two scoreless ties, but they outplayed them in the first encounter.

Larry James was elected Captain of the team at the close of the season.

VARSITY BASKETBALL

Glendale High School again stepped into the limelight in Southern California Basketball circles, when they ran off with the 1934 Coast League Championship. In previous years, such men as Foss, Nibley, and Johns helped to bring about Basketball Crowns. But this year matters were different. About fifteen fellows, none of which were outstanding, reported for practice in January; and the season's outlook was pretty grim.

After several weeks had passed, the team won a practice game now and then; and prospects began to brighten.

Hoover, holders of the Southern California Championship, was the first opponent on the Blaster schedule. Malcolm Harris, Jack Taylor, Steve Bristol, Ward Albert, and Lawrence Stutsman took the floor and played the entire fracas with but one substitution. Perfect team work exhibited the fact that Coach "Abe" Elliot had worked hard molding a good basketball quintet from average players. The tilt was very close, with Hoover keeping a small lead until the final quarter, when Harris, Bristol, and Taylor tied the score 23 to 23 as the gun sounded. An overtime period gave a 29 to 25 victory to the Dynamen—Glendale's fourth straight hoop victory over Hoover!

Then the league season rolled around. Pasadena was the initial team on the schedule; and the same team, with Smith and Montgomery as chief substitutes, easily subdued the Bulldogs in both contests by scores of 30 to 18 and 36 to 14. Captain Harris and Taylor were outstanding.

Santa Ana next encountered the powerful Dynamiters, and met with defeat in both battles, 21 to 13 and 24 to 15.

After the first two league games had been completed, the potential strength of the squad had been realized and championship hopes were in view.

VARSITY BASKETBALL

Competition became a little tougher when the Hilltoppers from San Diego visited Glendale. Both contests were exceedingly fast and close, and ended with scores of 36 to 32 and 23 to 21. In the first tilt, an overtime period was called in which Stutsman and Albert, guards, sank the winning baskets.

The Dynamen met their only setback of the season with Alhambra. The opener was another overtime game in which Mal Harris, stellar center, sunk the winning basket. The second tilt ended in a 25 to 14 victory for the Moors.

Long Beach and Glendale were tied at this point for first place in the league, each having won seven games and lost one. The opening game at the local court was termed by many as the greatest game ever played in prep basketball. Regulation play left the count at 17 to 17. At the end of the first overtime, the tilt was still deadlocked. Another was called, and a 19 to 19 tie still exsited. In the third overtime, the first squad to score, automatically won. Montgomery, replacing Taylor, who left on fouls, tossed in a difficult angle shot to win the battle.

The second was just as exciting, with the Bombers coming from behind to win the Coast League Championship, 15 to 14.

Malcolm Harris was elected captain of the team, and Jack Taylor was chosen as captain of the coming season.

Because of graduation, the second string was used in the Southern California playoff. South Pasadena beat Glendale in the initial round.

Everyone agreed that the entire success of the squad was attributable to Coach "Abe" Elliot. His team brought, not only the first Varsity Championship of the year, but Glendale's most successful hoop aggregation in many years.

Standing, left to right: Ward Albert, Malcolm Harris, Milan Smith, Steve Bristol, Bill Montgomery. *Seated:* Scott MacDonald, Lawrence Stutsman, Jack Taylor, Bob Scholey, Henry Willey.

CLASS B BASKETBALL

Under the tutelage of Coach Gaines, the Glendale "B" Basketball team managed to grab third place in the Coast League. The team won five games and lost three, two of which were to the powerful Pasadena Bullpups, winners of the Championship.

Hoover was on the calendar as pre-season foes. The Firecrackers traveled to the Northern city and grabbed a close but well-earned victory from the Whirlwinds by a score of 30 to 21 to retain the City Championship.

Pasadena, the initial league opponent, took both contests from the local quintet. Glendale led the first one 23 to 13 at half-time, but let down considerably in the last half to lose 37 to 26. The second encounter was nip-and-tuck all the way with the Bullpups holding a slight lead during the entire fracas.

Santa Ana was easily subdued by the fast Glendale B squad. The opener was won by the locals, 22 to 16, while the second affair ended in a 21 to 9 victory for Glendale.

After drawing a bye in league competition, the Firecrackers tackled the Alhambra Moors and won both contests, 24 to 17 and 28 to 10

Long Beach was the next opponent for the Bombers. Glendale won the opener on the home court by a close 26 to 21 margin. The second, however, was a different story. Glendale had a real "off-day" and lost the match by an 18 to 15 score.

Larry James, who was elected captain of the squad, was one of the outstanding players of the season, as were Bland, Wells, Van Luven, Hubbard, and Oshier. Practically the entire squad will return next year.

Top Row, left to right: Walter Tomlinson, manager; Ralph Stupp, Doug Howell, Windy Mulford, Bruce Oshier, Coach Gaines. *Seated:* Bill Berg, Bob Wilhelm, James Hubbard, Jack Van Luven, Larry James, Jack Wells, Johnny Bland, Dick Grimes, Bill Wilber.

VARSITY TRACK

Coach Russ Cripe, producer of first-class Track squads, sent his Coast League Championship tracksters up against the cream of Southern California's trackmen on May 19, and secured a fifth place in Southern California standings. Before the meet, the Nitros were the favorites to win, but because of the unusually stiff competition, they did not live up to expectations. Jefferson won the meet, while Manual Arts, Muir Tech, and Hoover followed. Fullerton, another favorite, and El Centro tied with the local aggregation.

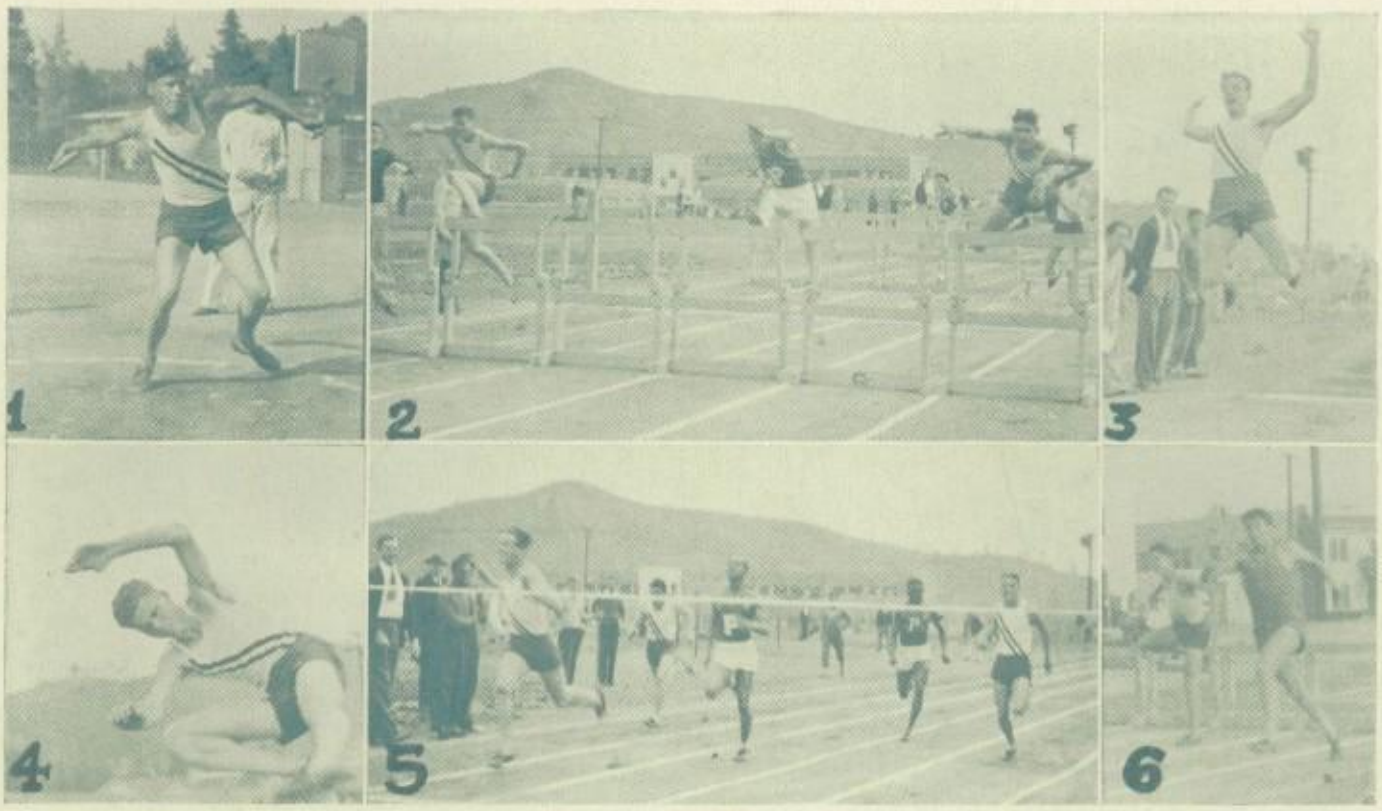
Delos Thurber won the high jump at 6 ft. 5 7/16 in., while Steve Taggart placed third in the broad jump with a leap of 22 ft. 10¾ in. Hampton Hagood placed fourth in the low hurdles when Kirkpatrick tied the Southern California record in 23.8s. Hagood ran the race in 24.4s.

Competition for the Varisty squad began on February 17, when the local outfit travelled to San Bernardino and entered the Orange Show Relay Carnival. Amassing a total of thirty-eight points, Glendale scored more than twice as many digits as its nearest competitor, to win the event for the third consecutive time.

Delos Thurber broke the Carnival high jump record with a leap of 6 ft, 4½ in. The Blasters won four relays and placed Taggart, Goodrich, Skinner, and Butler in other events.

It was on the third day of March that the local tracksters entered the A.A.U. Relays and were thrown into the limelight when Thurber, who was competing in the college class, high jumped to the unbelievable height of 6 ft. 6 in. Three Relay teams won two first and one fourth place.

As a final practise encounter, the Nitros tackled the Lincoln Bengals, and won, 81 to 22. Glendale won eleven first places.



1—Dave Skinner, winning the discus throw from Pasadena with a heave of 116 ft. 9 in. This is one of Skinner's lowest marks. **2**—Thurber, Schwartz of Pasadena, and Chase shown going over the last hurdle. Chase won first, Schwartz second, and Thurber third. **3**—Taggart winning his event in the Long Beach meet with a jump of 22 ft. 9 in. **4**—Thurber, who placed first in the high jump in every meet, is shown jumping at 6 ft. 2 in. **5**—Taggart winning the 100 yard dash from Callier of Pasadena. Goodrich placed third. **6**—Eisman of Long Beach noses out Chase in the low hurdles. Hagood won first by ten yards.

VARSITY TRACK

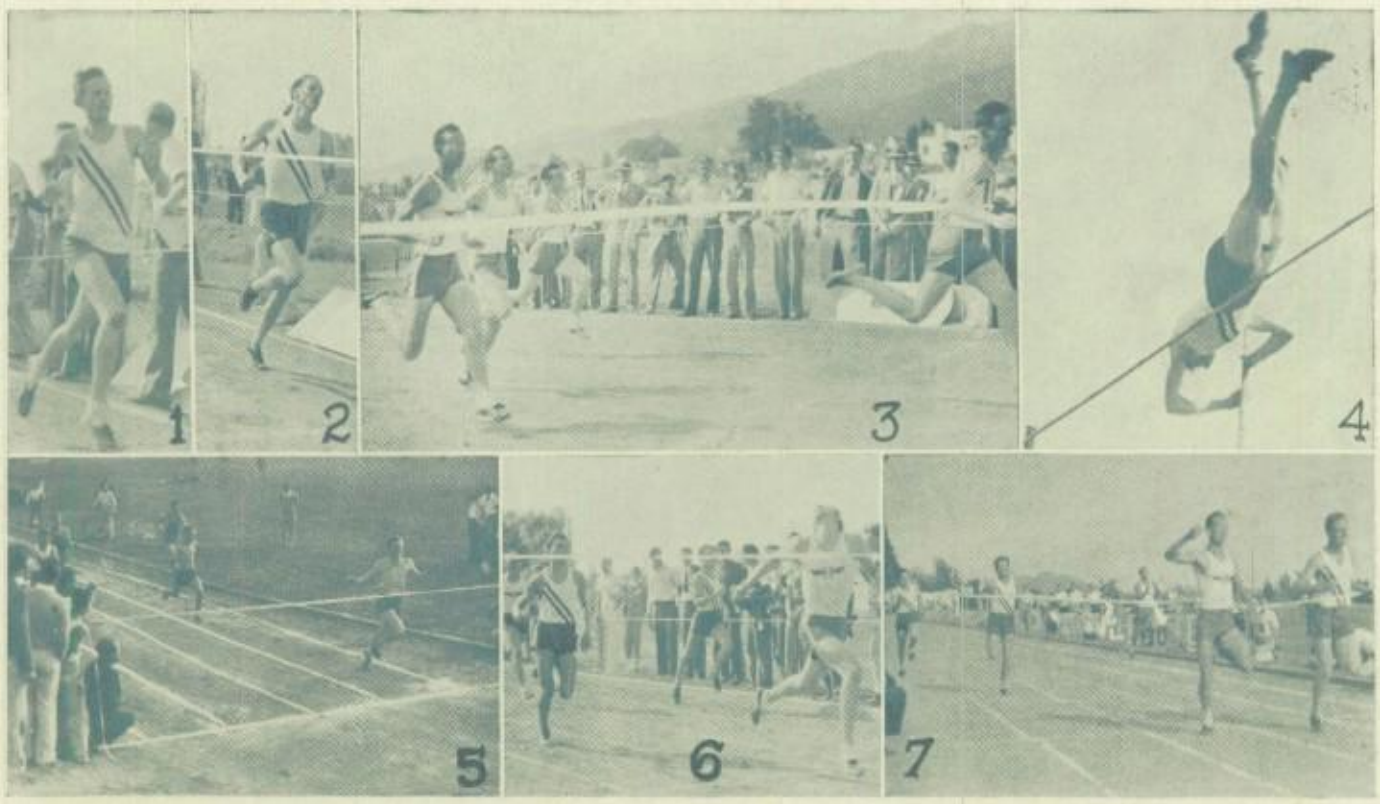
Long Beach was the first league opponent. Steve Taggart garnered fifteen points for the Blasters by winning both dashes and the broad jump. The latter event was a leap of 22 ft. 9 in. Hampton Hagood turned in the exceptionally fine time of 25 seconds in the low hurdles. The locals won all three places in the 220 and 440 yard dashes. Glendale easily subdued the Beach City by a score of 72½ to 40½.

In the Pasadena meet, an impressive 84 2-3 to 28 1-3 victory was turned in by the local sprinters. The feature of the day was Taggart's victory over Callier, Bulldog star, in the century. Again the local team grabbed eleven first places and a clean sweep in the low hurdles.

Glendale next travelled to Santa Ana and repeated its previous performance by overwhelmingly defeating the Saints, 84½ to 28½. Clean sweeps were scored in the century, furlong, and the mile. Hagood and Taggart were double winners for the locals; the former winning the 100 and low hurdles, the latter taking the 220 and broad jump. Bill Coleman won the discus with a throw of 122 ft. 8 in.

San Diego proved to be the toughest league opponent for the local squad, garnering a total of forty-five points to Glendale's sixty-eight. Taggart again won both dashes, the century in 10 flat. Glendale won nine first places including a throw of 124 ft. 5 in. in the discus by Dave Skinner.

The Dynamiters cinched the Coast League Dual Meet Championship by defeating the Alhambra Moors, 70 to 42, in the final league dual tussle. The Blasters grabbed eight first places and swept the 440 yard dash. Taggart ran the century in 10 seconds and Goodrich jumped 22 ft. 3 in.



1—Carr winning second place in the mile at the Hoover meet. **2**—Webb winning the half mile at Hoover in 2m 4.2s. **3**—Taggart winning the 100 yard dash from Thompson of Hoover in 10s. Wright was nosed out by Lockwood of Hoover for third. **4**—Jack Beardsley, winner of the Coast League finals, vaulting at 11ft. 6in. **5**—Glendale scores a clean sweep from Long Beach in the 220 yard dash. Taggart, first; Goodrich second; Edmonds, third. **6**—Conn of Hoover beats Banowetz in the 440. Berg placed third. **7**—Taggart winning the 220 in 22s from Thompson of Hoover. Wright placed third.

VARSITY TRACK

Glendale received its sole setback of the season against Hoover. The meet was a close one all the way with the score going into the relay tied at 49½ to 49½. The Dynamen grabbed a substantial lead in this event, but the second man fell before he could pass the baton, and Hoover went on to win the event and the meet. Taggart won the 100 in 10 seconds and the 220 in 22 seconds and took the broad jump with a leap of 22 ft. 8½ in. Thurber, Skinner, Hagood, and Webb also won first places.

On May 5, the Coast League finals were held at Santa Ana, and Glendale easily won the fracas with a total of 54 points. Taggart won the 100 yard dash to keep his Coast League record undefeated. The Nitro trackmen also took a first place in the pole vault with Beardsley, a first place in the broad jump with Taggart, and a first place with the relay team. Thurber set a new record by jumping 6ft. 5½in.

On May 11, the Southern California preliminaries were held, and the local aggregation placed fifth with 19 points. Hoover won the tilt, Fullerton was second, San Diego was third with 20 points, and Muir Tech placed fourth with 19½ digits. Thurber "took it easy" and tied for first in the high jump at 6ft. 2in. Taggart surpassed all of his performances of the year by sailing out 23ft. 4in. in the broad jump to place third. Brookins placed fourth in the pole vault when he vaulted 12ft. Hagood and Butler placed fourth in their events.

Although the Stylus went to press before the California State Meet was held, Glendale, with Thurber, Taggart, and Hagood as representatives, was generally conceded an excellent chance to place "in the money."

Top Row, left to right: Louis Hansen, manager; Bob Broughton, manager; Ray Belnap, Dave Skinner, Bill Coleman, Bill Berg, Bob Kasemeyer, Ray Ide, Delos Thurber. *Middle Row:* Don Edmonds, Allen Eisenhauer, manager; Merle Chase, Joe Morello, Bus Webb, Neil Huse, Leo Silver, "Rosie" Rosenberg, Tom Rice, Jack Van Luven, Al Brookins, Herbert Fagan, Ted Andrews, Coach Russ Cripe. *Seated:* George Wilson, trainer, Rob Wilson, Bob Johnson, Johnny Banowetz, Fred Berg, Steve Taggart, Bill Goodrich, Hampton Hagood, Frank Carr, Bob Ramsey, Cliff Kipers, Jack Beardsley, Louis Salmon, Verne McArthur.

CLASS B TRACK

Coach Russ Cripe, who again undertook the task of coaching the Class B squad, was fairly successful in producing a team that won second place in dual meet competition.

With a large array of prospective tracksters reporting for practice, chances looked good for the squad. After many weeks of practice, they engaged in their first formal meet with Lincoln. The locals won easily by the score of 64 to 31. The outstanding performances were the broad jumps of Burke, Lannom, and Woolstencroft; all three jumping over twenty feet.

Long Beach was the first league foe for the B cinder artists. The meet was very close, and entering the relay, the score was almost tied. But the Long Beach relay team nosed out the Blasters to win the meet.

Glendale next met Pasadena in the only other dual meet of the season. The local aggregation won by the decisive score of 74 to 30. The Blasters showed their strength in the field events by sweeping the high jump, broad jump, and pole vault. Glendale also took first places in the 1320, low hurdles, high hurdles, shot put and the relay.

Hoover caught Glendale on an "off-day," and won that meet by a 67 to 28 score.

The squad won third place in the Coast League finals, being nosed out for second by Pasadena. Santa Ana, Alhambra, and San Diego followed in the order mentioned. Frank Chase won second in the 220 and fourth in the century. Frank Carr placed second in the 1320, while Shaver and Zebal won second and third in the high hurdles. Burke won fourth place in the shot put and broad jump, and La Com took a third in the low hurdles.

Top Row, left to right: Don Cole, Bill Floyd, Bill Wilber, George McRae, Fred Albright, Kenny Panch, Ray Edwards, Sylvester La Chasse. *Middle Row:* Howard Miller, Bill Jones, Frank Chase, Ben Woolstencroft, Herbert Burke, Bud Grainger, Bill Beardsley, Harold Phelps, Walter Penberthy, Coach Russ Cripe. *Seated:* Harold Stauffer, Bill Goodwin, Robert Cluggage, Jim Negley, Stan Seigler, George Gardner, Pat Zebal, Allen Lannom, George Shaver, Art Cruickshank, Karl La Com.

BASEBALL

Glendale High School again produced a very successful Baseball team. Under the supervision of Coach "Stubby" Sperry, the local horsehiders won a well-earned second place in the Coast League.

Numerous practise contests were played before and during the league season. Muir Tech was played five times, and Lincoln was on the schedule several times. Besides the various other teams that offered practise for the locals an Alumni team encountered the Nitros in an informal contest.

Glendale entered the Pomona Baseball Tournament, in which about thirty other schools were entered, and reached the semi-finals. Playing two games in one day proved to be too much for the Dynamen, and they lost the second to San Diego.

San Diego was by far the favorite to win the Coast League Crown, but in the opening round of league play, the Long Beach Jackrabbits tripped the Hillers by a score of 4 to 3.

On the same day Glendale won its initial game from Santa Ana by a score of 8 to 9. This game proved to be closer than was expected. Entering the ninth inning, the locals had a substantial 9 to 5 lead, but a three run rally almost tied the score. Jack Taylor stepped into the box and finished the game without any further scoring.

San Diego visited Glendale the following week and received a severe trouncing. They were the overwhelming favorites, but the steady pitching of Colvin Smith and the excellent playing of the team as a whole gave a 5 to 4 victory to Glendale. Captain Tony Zuniga led hitting honors with three hits out of four trips to the plate. Dillinger, substitute second base-

man, hit a double and scored the winning run when Hyde singled. The locals knocked out twelve hits to their opponents seven.

Long Beach was the next rival for the Bombers. The Glendale squad had a real "off-day," and lost the game by an 8 to 0 score.

Pasadena was the next victim for the Dynamiters, and they, too, were defeated, 7 to 2. The Millionaires started the scoring in the first inning, when they collected their only two runs of the game. Kelley, Nitro left-fielder, started the scoring for Glendale in the fifth with a home run. Smith's excellent pitching again allowed but a few scattered hits.

Alhambra was the final league foe for the local outfit. First class pitching by Smith and great team work accounted for a 9 to 6 victory. Several errors were present, but the Blasters had the game in hand for the greater portion of the contest.

Because Hoover would not agree to play on the Golden State diamond, the only other available place, a pasture, was used for the annual fracas. It was Hoover's home field and proved to be a great disadvantage to Glendale. The ground was soft, and the local outfit could not handle itself properly. Colvin Smith pitched the entire game, allowing very few hits, and retiring thirteen men. As the Blasters entered the eighth inning, they had a substantial 7 to 5 lead, but several errors on handling grounders gave Hoover five runs and a 10 to 7 victory. The Blasters started off the ninth inning with two hits, but they were not able to bring them in.

Coach Sperry is to be commended for producing such a successful team from comparatively green material.

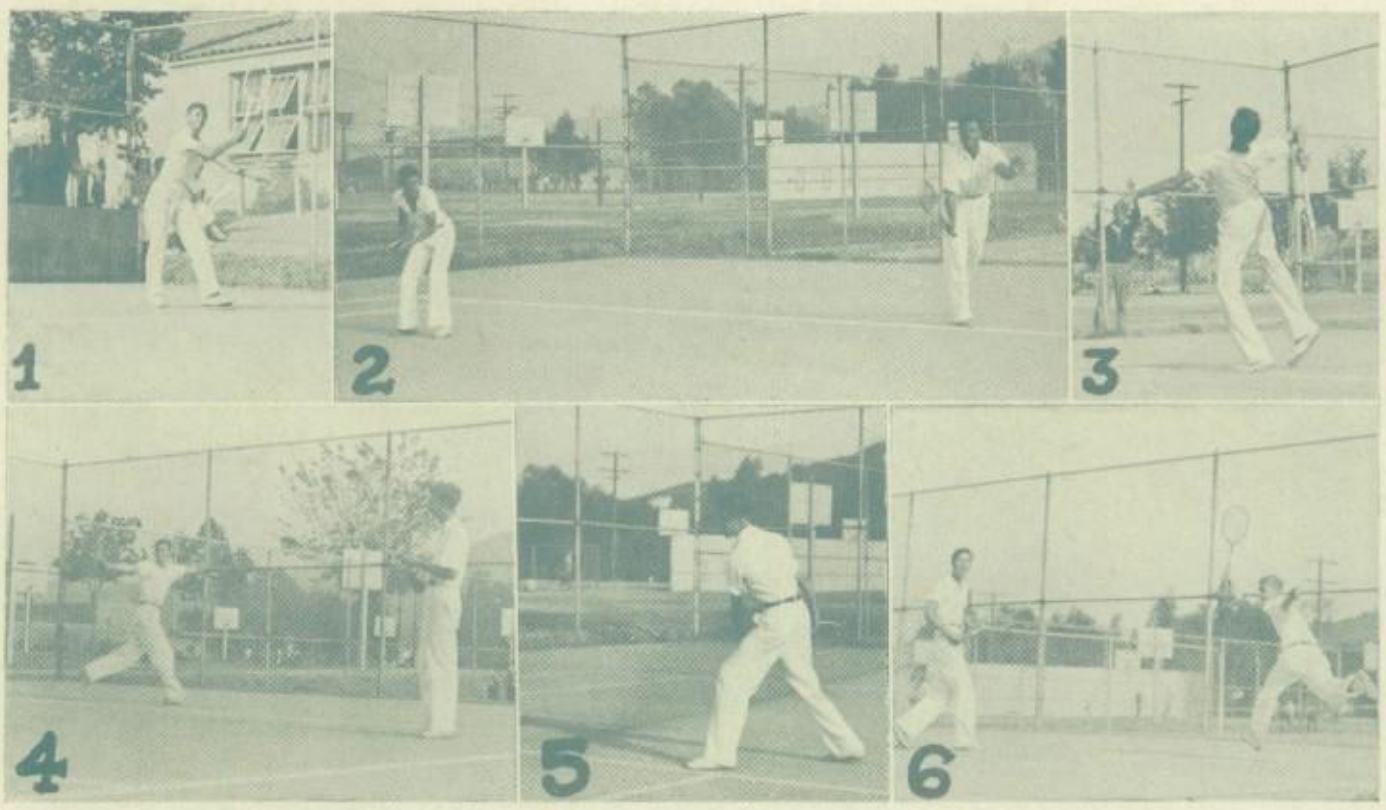
TENNIS

Too much credit cannot be given Coach Frank Gulick for his excellent coaching and management of Glendale's 1934 Coast League Championship Tennis Team. Mr. Gulick volunteered his services as coach of the tennis squad early in the school year, and his efforts were a main factor in the winning of the League Crown. The squad was very deserving of letters and gold tennis rackets, a concession which has not been made to Glendale's tennis squads during the past few years.

Several schools were on the practice schedule. Fairfax, one of Southern California's finest squads, was tied by the local outfit. John Marshall High School was taken down by the Blasters to the tune of 11 to 0. Glendale Junior College offered little competition for the powerful Nitros when they were defeated 8 to 3.

The first League match played by the team this year was against Santa Ana. Santa Ana, being the weakest team in the entire circuit was what might be called a push-over; the Nitros winning the meet with a score of 10 points to 1.

San Diego was the next stepping stone, but it proved to be a pretty rough one at that. In the first stages of the encounter, it appeared very much as if the hopes of Glendale would be broken. The Dons were leading 4 to 2 and were winning second doubles, which would have been enough to defeat the Dynamiters. Through some trick of fate, however, the second doubles team managed to pull the match out in three sets and consequently save the day. Ackerman, Reddy, Alexander, and Leonetti and Barker were also winners for Glendale.



1—Maynard Ackerman, first singles ace, shown in the Alhambra match. **2**—Barker and Leonetti, Glendale first doubles team, playing their opponents from Santa Ana. **3**—Ackerman serves! **4**—Burland completes a backhand shot against San Diego. **5**—Eshom, second singles, shown in his match with San Diego. **6**—Keller returns to Alhambra!

TENNIS

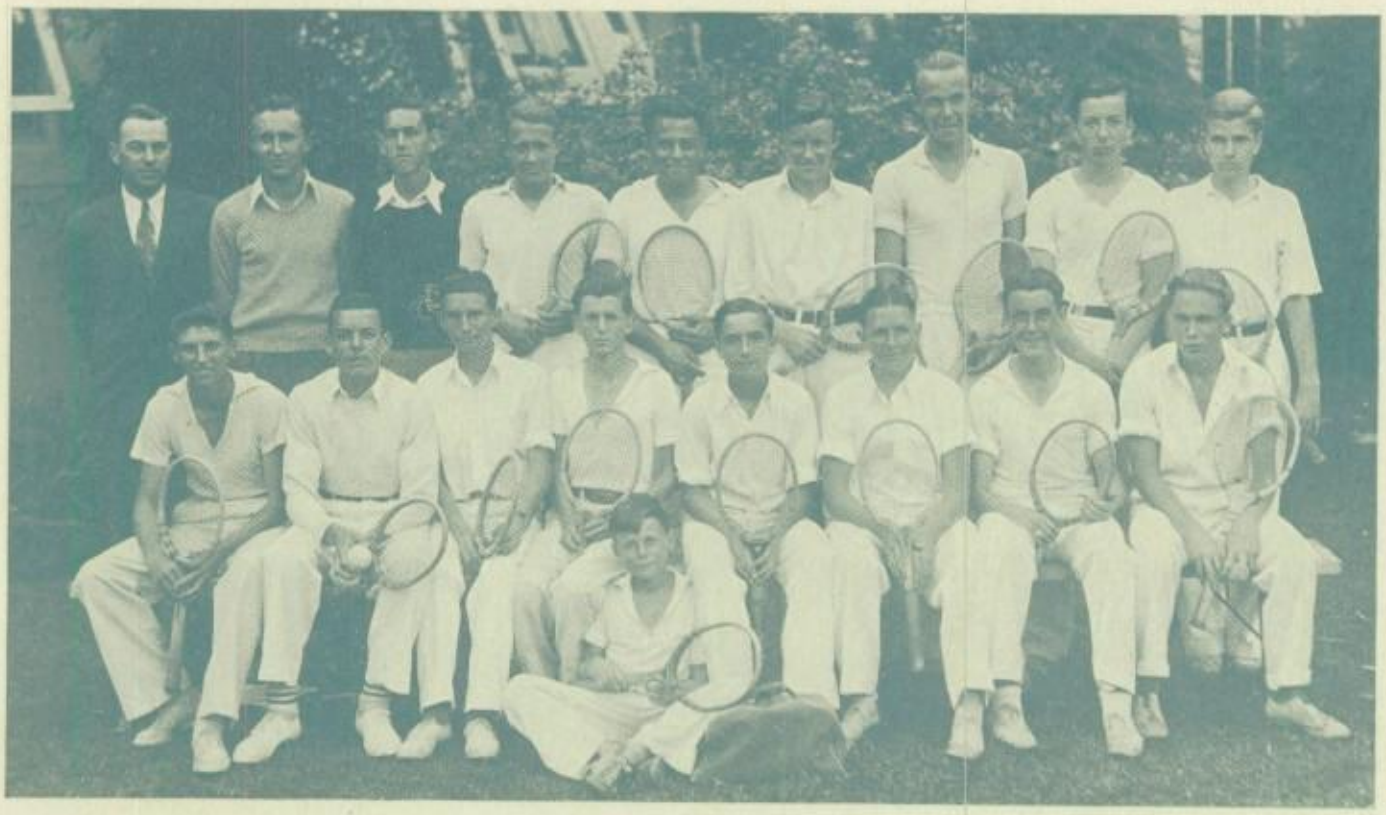
Long Beach proved fairly easy prey to the steady stroking Nitro netters, the latter winning the fracas 8 to 3. The only matches lost by the Glendale group were second singles and third doubles.

Pasadena likewise went down before the onslaught of TNT, winning only two matches which were fourth and fifth singles. This meant a win of 9 to 2 in favor of the Dynamiters. The first singles match went to Ackerman of Glendale to the tune of 6-1, 6-0. Barker and Leonetti won their first doubles engagement 6-0, 6-0. The two matches lost by Glendale were very close, three-set encounters.

Alhambra, suffering an 8 to 3 defeat, was another victim of the powerful Glendale aggregation. This match decided the League Championship, and was won only after some remarkable tennis exhibitions. Leonetti and Barker defeated the hitherto invincible combination of Johnston and Andrews, 6-2, 6-4. Maynard Ackerman easily won his first singles encounter, as did Burland and Keller in their second doubles match. La Rowe and Andrews dropped third doubles only after an exceptionally close score of 8-10, 6-3, 7-5.

Because Hoover had but an eight man team, the locals agreed to play that match according to Hoover's method of scoring; that is, with a total of twenty-five points. For the first time in three years, Glendale won its match from the Northern school by the score of 19 to 6.

First doubles was by far the most outstanding match of the day, Barker and Leonetti winning by the close score of 11-9, 6-4. Bob Leonetti duplicated his performance in the Alhambra encounter by finishing the match with a service ace.



Standing, left to right: Coach Frank Gulick, Paul Eckley, student coach; Bob Naregan, manager; Ed Graves, Bob Leonetti, Bill Andrews, Don Thompson, Max Burland, Sam Keller. *Seated:* Maynard Ackerman, Bill Crickard, Shirl Alexander, Bob Barker, Jack Reddy, Dan Burgoyne, Frank Eshom, Hollis La Rowe. *On Ground:* Ted Schroder, mascot.

CROSS-COUNTRY

Literally running rings around the competition, Glendale High's far-renowned cross-country team came to the fore to smother eight other schools and walk off with the Southern California High School Championship this season at the University of California at Los Angeles.

Captain Don Haskell, distance demon of the local outfit, ran a killing race to finish sixth. Glendale also placed Arnold Larson, seventh; Frank Carr, ninth; Elliott Horton, eleventh; and Vern MacArthur, fourteenth. Norman Yeckley and Herbert Fagan also competed under the Dynamiter colors, but both failed to place.

The Blasters won the meet with forty-seven digits; while Garfield placed second with sixty-three, and Whittier third with eighty-two.

In the Coast League playoff, Glendale easily took second place with a total of forty-six points. San Diego won the meet, taking second, third, fourth, sixth, and seventh. Glendale placed Captain Don Haskell fifth, Horton eighth, Fagan tenth, MacArthur eleventh, Larson twelfth, Yeckley fourteenth, Liggett twentieth, and Rice twenty-third.

Glendale's Cross-Countrymen were very successful in their dual contests also. Other meets in which the Dynamen participated were with Roosevelt, Lincoln, Garfield, and South Pasadena. Because several of the members were unable to attend the Hoover meet, the local outfit dropped that tilt by a very close score.

Thus the Bomber Bunioneers completed another successful season—a period punctuated by victory, and yet studded by defeat—a season that found the Blasters fighting every inch of the way to a brilliant finish.

GOLF

Under the direction of Coach Roy Jellison, Glendale produced another successful Golf squad. With Frank Hardison, former Los Angeles County "under 18" champion, as their leader, the members of the squad were able to win six out of the seven dual matches of the year and to place second in the Coast League standings.

Glendale's initial opponent was Muir Tech, and the team showed its strength by downing its first rival by a score of 5 to 0. Hardison, Fellingham, Gilbert, Perry, and Lindsey were the winners.

Glendale Junior College offered a little more competition when they met defeat to the tune of 4 to 1. Hardison easily won the first position by the score of 4 up and 3 to play.

The Blasters nosed out South Pasadena and Alhambra by the score of 3 to 2. A return match with the Moors resulted in a 4 to 1 victory for the Dynamen. Perry and Gilbert won in both encounters.

The local outfit lost its only game to Long Beach, Coast League Champions, by a 3½ to 1½ score. Although Frank Hardison shot a 75, he was defeated by his Beach opponent.

Hoover lost to the Blaster squad in the annual cross-city contest, 3 to 2. Hardison easily won with his brilliant 73, while Fellingham and Lindsey were the other victors. In the Coast League finals, Long Beach won with 833 digits, while Glendale placed second with 849 points. The players could not handle themselves properly on the Santa Ana course, and the result was disastrous to the individual scores. Hardison shot 78 and 84; Fellingham, 89 and 84; Gilbert, 85 and 85; Kier, 84 and 82; Lindsey, 91 and 87.

Doctor (examining life insurance prospect): Do you ever talk in your sleep?

Mr. Adams: No, but I often talk in other people's sleep.

Doctor: But how can that be?

Mr. Adams: I'm a high school teacher.

Bill Crippen: You flappers don't know what needles are for.

Peggy Norris: Well, I do. They're for the phonograph.

*

Hails: Well, after his behavior yesterday, I'll never go fishing with him again as long as I live.

Brownie: Heavens, what did he do?

Hails: Oh, he just fished!

*

Shem: We have a pair of everything on board, haven't we?

Nash: Yes, we have.

Shem: Well, I hope you're right. I can't find my swimming-pants anywhere.

Madeline Corey (to woman in milliner's shop): I see by your advertisement that you have just received two thousand hats from Paris.

Woman: Yes, madam.

Madeline (taking off her hat): Good. I want to try them on.

Waiter: Have you given your order?

Customer: Yes, but please change it to an entreaty.

*

Chandler: That was a close call, old man. Don't you know you always ought to give a woman driver half the road?

Bah: I always try to, as soon as I find out what half she wants.

*

Elva Mae Donahue: I don't know what the young man's intentions are, father. He's been keeping me pretty much in the dark.

*

Warren Fellingham: Well, caddie, how do you like my game?

Caddie: I suppose it's all right, but I still prefer golf.
